

Dr. Leola Anifowoshe, PhD

Investigative Trichologist® · Author · Speaker · Creator of The Hair Loss Detective™

Executive Biography

Dr. Leola Anifowoshe, PhD, is an internationally trained certified trichologist, author and educator. She is the creator of Investigative Trichology® and the founder of Texas Hair Restoration & Wellness Center in Houston — Home of The Hair Loss Detective™.

Her work moves beyond surface symptoms, examining the nutritional, environmental, metabolic and lifestyle factors that shape hair and scalp wellness. Accredited in five countries and with more than 25 years in hair restoration, she investigates the root cause before making a single recommendation.

She is the creator and chief architect of the ResusciStation™ and the ScalpFIT™ Governance System, an author of books on hair restoration, and a sought-after voice for television, national news and business publications.
